Color Matching

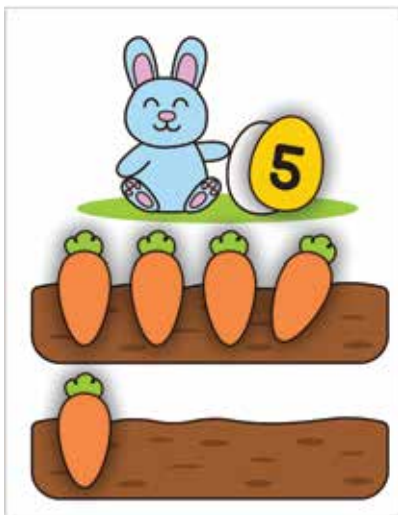

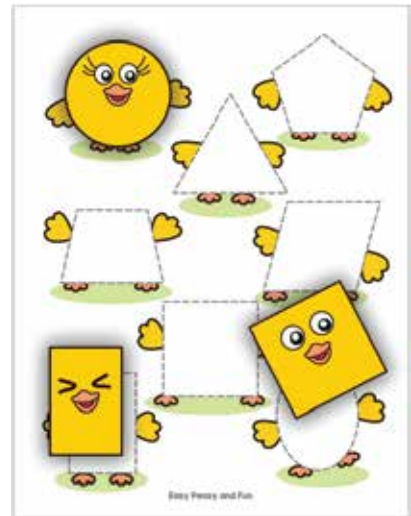

Laminate (or use page protectors) the sheet with the bunny bodies. Cut out the bunny tails and laminate them. Cut again. Attach Velcro on the back of the bunny tails and inside the dashed line circles.

Match the colors of the bunny tails and bunny bodies.

Shape Matching

Laminate (or use page protectors) the sheet with the shape outlines. Cut out the chick shapes and laminate them. Cut again. Attach Velcro on the back of the chick shapes and inside the dashed line shapes

Match the chick shapes with the shape outlines.

Carrot Counting

Laminate (or use page protectors) the sheet with the bunny and the garden. Cut out the eggs with numbers and carrots and laminate them. Cut again. Attach Velcro on the back of the eggs and carrots and inside the egg on the first sheet. Also attach 10 Velcro dots (or a velcro strip) on the garden patches.

Match the number of the carrots to the number on the egg (or the other way around).

Number Sense

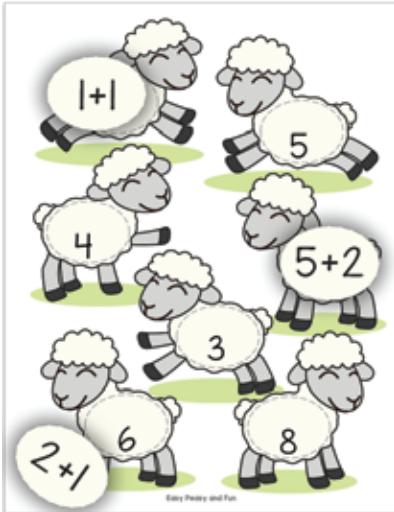

Laminate (or use page protectors) the sheet with bunnies holding carrots. Cut out the carrots with numbers (cut into 3 pieces for older kids or leave as a whole carrot for younger kids). Cut again. Attach Velcro on the back of the carrots and inside carrot outlines.

Match the chick shapes with the shape outlines.

Sheep Addition

Laminate (or use page protectors) the sheet with the sheep bodies. Cut out the elipses with equations and laminate them. Cut again. Attach Velcro on the back of the elipses and inside the dashed line elipses on the sheep (above the number).

Solve the equations and match them with the results.

Bunny Emotions

Laminate (or use page protectors) the sheet with the bunnies. Cut out the bunny heads and laminate them. Cut again. Attach Velcro on the back of the heads and inside the head outlines.

Match the facial expressions with the emotions..

Build a Bunny

Laminate (or use page protectors) the sheet with the bunny body. Cut out the ears, eyes, mouth and glasses and laminate them. Cut again. Make holes in the ears and on the top of the head. Secure the ears with split pins. Attach Velcro on the back of the eyes, mouth and glasses and on the designated areas on the first sheet.

Build a bunny by using different eyes and mouths.

Patterns

Laminate (or use page protectors) the sheet with egg halves. Cut out the other egg halves and laminate them. Cut again. Attach Velcro on the back of the egg halves and inside the dashed line outlines..

Match the chick patterns.
