

Nét số thẳng

Nét ngang

Nét xiên trái

Nét xiên phải

The image shows a handwriting practice sheet. It features a grid of 12 columns and 20 rows. The first column contains 12 slanted lines (backslashes) for tracing. The rest of the grid is empty for independent practice.

Nét móc trên

Handwriting practice grid for the top hook stroke (nét móc trên). The grid consists of 12 rows and 12 columns. Each row starts with a small hook symbol followed by a dotted version of the same symbol for tracing. The remaining cells in each row are empty for independent practice.

Nét móc dưới

A large grid for handwriting practice. The grid consists of 15 rows and 12 columns. Each row contains a cursive lowercase letter 'l' at the beginning, followed by a series of dots indicating the stroke order. The first row shows the letter 'l' with a curved arrow starting from the top left, curving to the right, and then going down. The second row shows the letter 'l' with a curved arrow starting from the top left, curving to the right, and then going down. The third row shows the letter 'l' with a curved arrow starting from the top left, curving to the right, and then going down. The fourth row shows the letter 'l' with a curved arrow starting from the top left, curving to the right, and then going down. The fifth row shows the letter 'l' with a curved arrow starting from the top left, curving to the right, and then going down. The sixth row shows the letter 'l' with a curved arrow starting from the top left, curving to the right, and then going down. The seventh row shows the letter 'l' with a curved arrow starting from the top left, curving to the right, and then going down. The eighth row shows the letter 'l' with a curved arrow starting from the top left, curving to the right, and then going down. The ninth row shows the letter 'l' with a curved arrow starting from the top left, curving to the right, and then going down. The tenth row shows the letter 'l' with a curved arrow starting from the top left, curving to the right, and then going down. The eleventh row shows the letter 'l' with a curved arrow starting from the top left, curving to the right, and then going down. The twelfth row shows the letter 'l' with a curved arrow starting from the top left, curving to the right, and then going down. The thirteenth row shows the letter 'l' with a curved arrow starting from the top left, curving to the right, and then going down. The fourteenth row shows the letter 'l' with a curved arrow starting from the top left, curving to the right, and then going down. The fifteenth row shows the letter 'l' with a curved arrow starting from the top left, curving to the right, and then going down.

Nét móc hai đầu

A large grid for handwriting practice. The grid consists of 13 rows and 8 columns. The first three rows each contain eight cursive hook characters (nét móc hai đầu) spaced evenly across the columns. The remaining ten rows each contain only one cursive hook character in the first column, with the rest of the grid being empty for practice.

Nét cong trái

A large grid for handwriting practice. The grid consists of 12 rows and 8 columns. Each row starts with a solid cursive letter 'C'. The second row through the eighth row have a dotted 'C' in the second column, followed by seven empty columns. The ninth row through the twelfth row have a dotted 'C' in the first column, followed by seven empty columns. This layout is designed for tracing and independent practice of the cursive letter 'C'.

Nét cong phải

The grid contains 13 rows for practicing the cursive stroke 'Nét cong phải'. The first three rows each start with a dotted example of the stroke followed by eight empty columns. The remaining ten rows each start with a dotted example of the stroke followed by a horizontal dotted line and eight empty columns.

Nét cong kín

A large grid for handwriting practice. The grid is composed of 12 vertical columns and 20 horizontal rows. The first three rows contain circles for tracing. The first row has 8 circles, the second row has 8 circles, and the third row has 8 circles. The remaining 17 rows each contain a single circle in the first column, followed by blank space for independent practice.

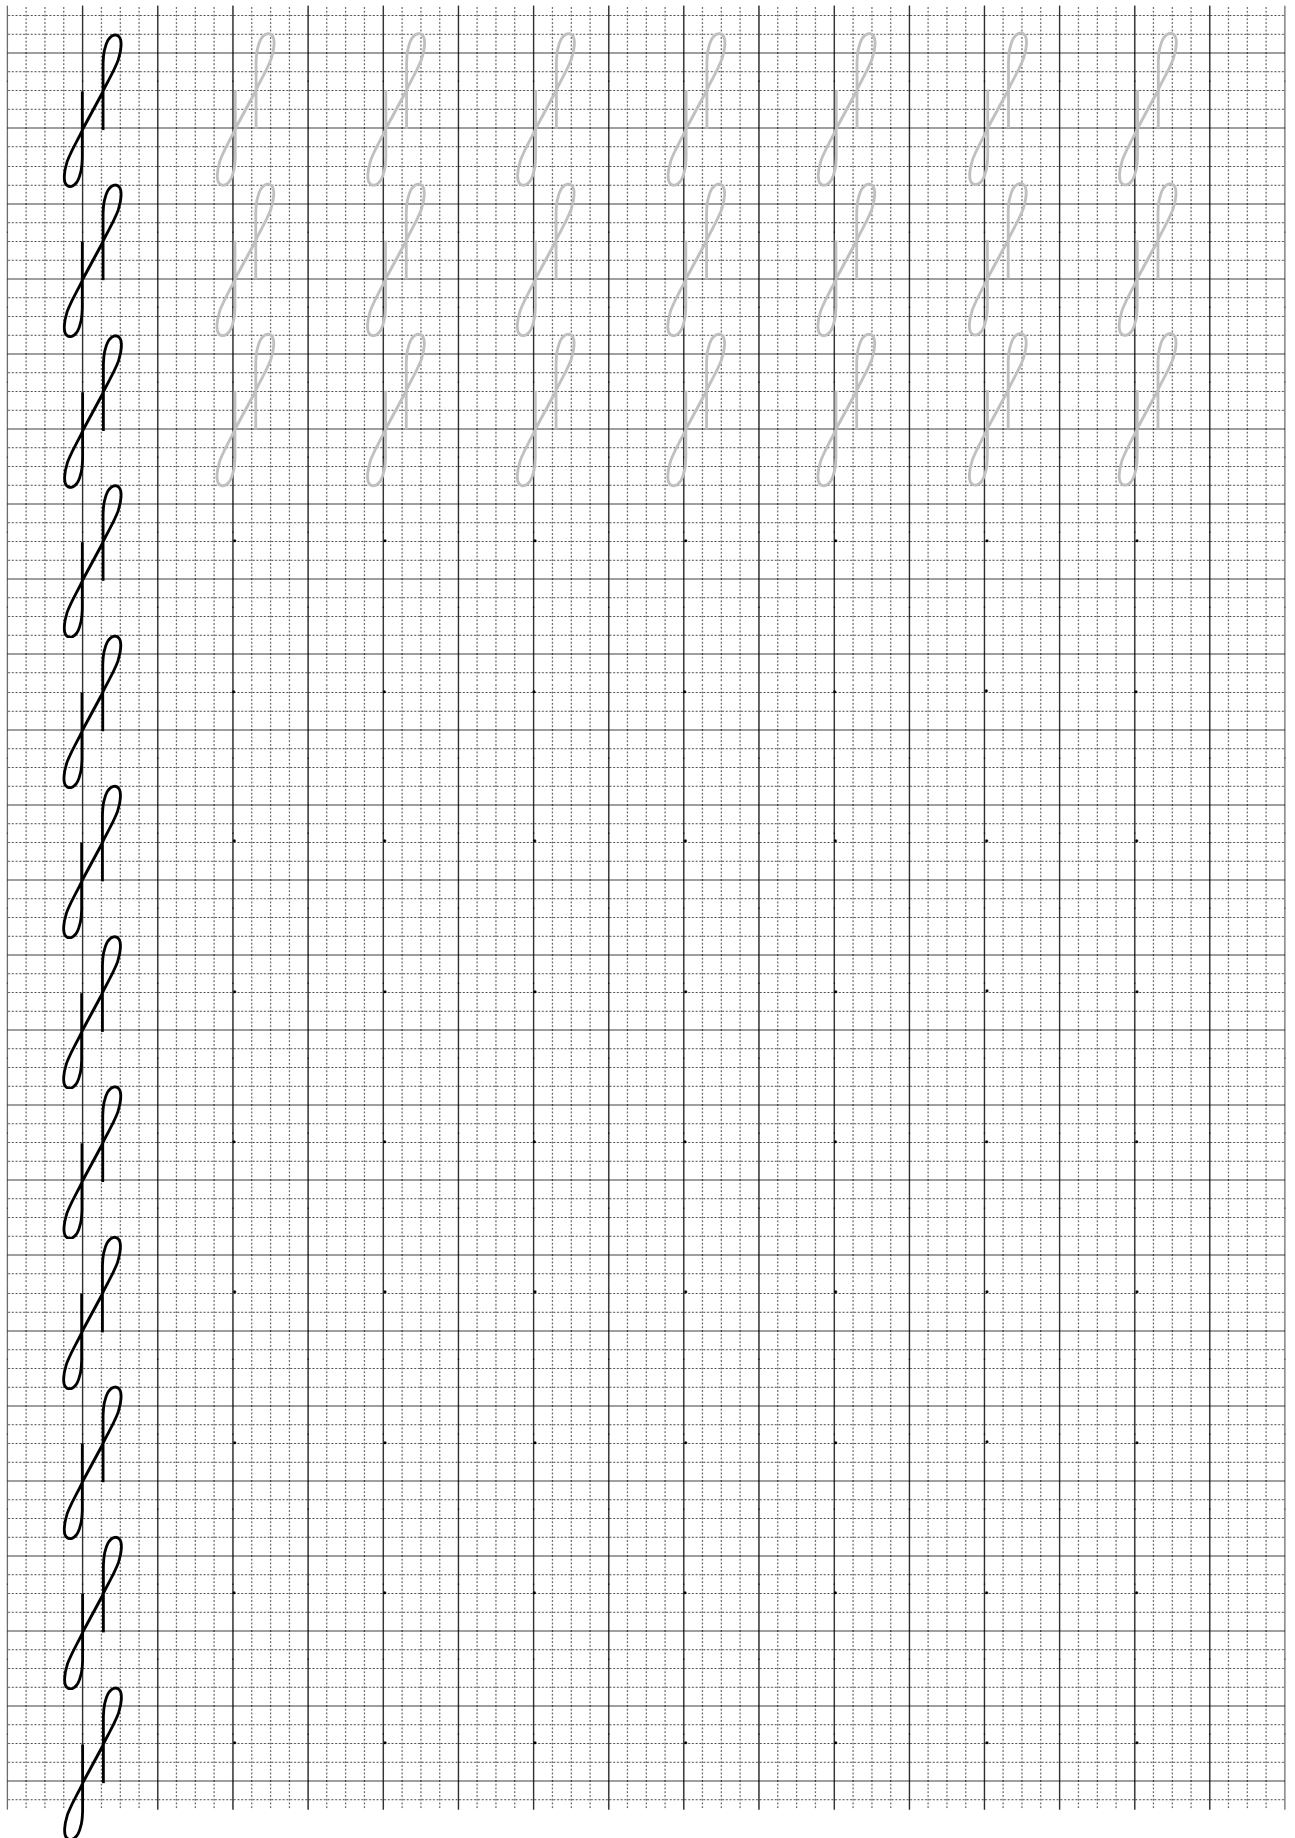

Nét khuyết trên

A handwriting practice grid for the cursive letter 'l'. The grid consists of 12 columns and 12 rows. The first three rows show the letter 'l' written in cursive, with arrows indicating the stroke direction. The first row shows the letter 'l' written in cursive, with arrows indicating the stroke direction. The second row shows the letter 'l' written in cursive, with arrows indicating the stroke direction. The third row shows the letter 'l' written in cursive, with arrows indicating the stroke direction. The remaining nine rows show the letter 'l' written in cursive, with arrows indicating the stroke direction. The grid is designed to help students practice the correct stroke order and direction for writing the cursive letter 'l'.

Nét khuyết dưới

A handwriting practice grid for the cursive letter 'đ'. The grid consists of 12 columns and 12 rows. The first three rows each contain eight 'đ' characters, one in each column. The remaining nine rows each contain a single 'đ' character in the first column, with the rest of the grid being empty for practice.

Nét khuyết kép

Nét thắt

A large grid for handwriting practice. The grid consists of 13 rows and 12 columns. Each row starts with a small, light gray example of the 'Nét thắt' stroke on the left side. The rest of the grid is empty, intended for the student to practice writing the stroke repeatedly.

Nét xoắn

The image shows a handwriting practice sheet for the cursive letter 'a'. It consists of a grid of 14 rows and 8 columns. The first three rows are filled with the cursive letter 'a' written in a consistent style across all eight columns. The remaining eleven rows have the cursive letter 'a' written only in the first column, leaving the other seven columns empty for practice.

The image shows a handwriting practice grid for the Vietnamese letter 'a'. The grid is composed of 8 columns and 15 rows. The first row contains eight lowercase 'a's, each with a vertical line through its center. The second row contains a lowercase 'a' with a vertical line through its center, followed by seven dots. The third row contains a lowercase 'a' with a vertical line through its center, followed by seven dots. The fourth row contains a lowercase 'a' with a vertical line through its center, followed by seven dots. The fifth row contains a lowercase 'a' with a vertical line through its center, followed by seven dots. The sixth row contains a lowercase 'a' with a vertical line through its center, followed by seven dots. The seventh row contains eight lowercase 'a's, each with a vertical line through its center. The eighth row contains a lowercase 'a' with a vertical line through its center, followed by seven dots. The ninth row contains a lowercase 'a' with a vertical line through its center, followed by seven dots. The tenth row contains a lowercase 'a' with a vertical line through its center, followed by seven dots. The eleventh row contains a lowercase 'a' with a vertical line through its center, followed by seven dots. The twelfth row contains a lowercase 'a' with a vertical line through its center, followed by seven dots. The thirteenth row contains a lowercase 'a' with a vertical line through its center, followed by seven dots. The fourteenth row contains a lowercase 'a' with a vertical line through its center, followed by seven dots. The fifteenth row contains a lowercase 'a' with a vertical line through its center, followed by seven dots.

The image shows a handwriting practice grid on a grid background. It is divided into two main sections. The top section is for the lowercase letter 'q'. It consists of 10 rows. The first row contains eight 'q' characters, each with a yellow circle at the top and a vertical line extending downwards. The following nine rows each contain a single 'q' character on the far left, followed by empty space for practice. The bottom section is for the lowercase letter 'g'. It consists of 10 rows. The first row contains eight 'g' characters, each with a yellow circle at the top and a vertical line extending downwards. The following nine rows each contain a single 'g' character on the far left, followed by empty space for practice.
